The essential guide to beginning your career in architecture The Architecture Student's Handbook of Professional Practice opens the door to the vast body of knowledge required to effectively manage architectural projects and practice. A professional architect is responsible for much more than design; this book is specifically designed to help prepare you for the business and administrative challenges of working in the real-world—whether you are a student or are just starting out in practice. It provides clear insight into the legal, financial, marketing, management, and administrative tasks and issues that are integral to keeping a firm running. This new edition has been restructured to be a companion textbook for students undertaking architectural practice classes, while also fulfilling the specific knowledge needs of interns and emerging professionals. It supplements information from the professional handbook with new content aimed at those setting out in the architectural profession and starting to navigate their careers. New topics covered in this new edition include: path to

licensure, firm identity, professional development, strategic planning, and integrated project delivery. Whether you want to work at a top firm, strike out on your own, or start the next up-and-coming team, the business of architecture is a critical factor in your success. This book brings the fundamentals together to give you a one-stop resource for learning the reality of architectural practice. Learn the architect's legal and ethical responsibilities Understand the processes of starting and running your own firm Develop, manage, and deliver projects on time and on budget Become familiar with standard industry agreements and contracts Few architects were drawn to the profession by dreams of writing agreements and negotiating contracts, but those who excel at these everyday essential tasks impact their practice in innumerable ways. The Architecture Student's Handbook of Professional Practice provides access to the "nuts and bolts" that keep a firm alive, stable, and financially sound. Fourteen years since its establishment, the work of the African Commission on Human and Peoples' Rights has not received the attention that should have been paid to its important contributions towards the promotion and protection of human rights in Africa. The aim of this publication is to provide not only the basic documents, but also the less well known material related to the jurisprudence emanating from the consideration of communications. This volume therefore includes, amongst other material, the twelve activity reports adopted by the Commission, resolutions, and final communiqués from the sessions. This is the first attempt to reproduce comprehensively the many documents of the Commission adopted since its inception in 1987. It will be an essential reference for academics, students, and practitioners.

The publication is produced in collaboration with the African Society for International and Comparative Law, the Centre for Human Rights at the University of Pretoria and Interights in London. International Democracy Documents is the first comprehensive compilation on democracy at the international level. It covers the most important international documents relating to democracy, while at the same time providing a focused approach. Get a 360-degree view of digital project management.
