The Mometrix test prep team has provided plenty of NCLEX practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our NCLEX RN 2019 & 2020: NCLEX RN Examination Secrets Study Guide is no exception. It's an excellent investment in your future. Get the NCLEX review you need to be successful on your exam. If you want to pass the NCLEX-RN Test, but don't have a lot of time for studying keep reading..... You are no doubt a busy student with a lot of things going on! It can be challenging to find the time to read your textbook in preparation for the NCLEX Exam. However, the truth is that the NCLEX exam is a challenging test, and you are given a maximum of 6 hours to complete the test. Thorough preparation cannot be overlooked therefore. That is why the author Kim Nguyen, a nursing professional, developed the NCLEX Study Guide! This Edition is a complete review edition. It reviews all essential concepts found on the exam, from all categories of the test. It comes in text format, so that you can bring it anywhere! It's sections include: Preparing for the NCLEX-RN Exam Basic Care & Comfort Health Promotion and Maintenance Management of Care Pharmacological and Parenteral Therapies Physiological Adaptation Psychosocial Integrity Reduction of Risk Potential Safety and Infection Control MUCH, MUCH MORE! Each section is divided into further subsections making sure all aspects of the exam are covered! If you listen to, or read our study guide, and take the time to really understand the concepts, we are confident you will pass the NCLEX-RN Exam, and be on your way to a new career in nursing! Prepare for the NCLEX with this fun, full-color review! Illustrated Study Guide for the NCLEX-RN® Exam, 9th Edition uses colorful drawings and mnemonic cartoons to cover the nursing concepts and content found on the NCLEX-RN examination. A concise outline format makes studying easier, and the Evolve companion website includes 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by NCLEX expert JoAnn Zerwekh, this study guide offers a clear, visual way to remember key facts for the NCLEX exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, maternity, and older adult lifespan considerations in each body system chapter. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to customize your review based on your personal study needs. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help you to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. UPDATED content reflects the most recent NCLEX-RN test plan and incorporates important clinical updates. NEW! 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. NEW! Addition of SI Units and removal of trade-name drugs reflects changes in the NCLEX-RN test plan. NEW! Additional alternate item questions are included on Evolve, and new questions incorporating video are also added. NEW! Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. NEW! Additional memory notecard-type illustrations are included in the book to accommodate visual learners. Get the need-to-know pharmacology nursing skills you need to succeed on the NCLEX® and beyond with Study Guide for Pharmacology and the Nursing Process, 9th Edition! Designed to accompany Lilley's Pharmacology and the Nursing Process, 9th Edition textbook, this workbook features worksheets for each chapter that include NCLEX-RN® Examination-style review questions, critical thinking and application questions, case studies, and other educationally sound learning activities. Chapter-by-chapter worksheets are divided into 3 main sections: Chapter Review and NCLEX Examination Preparation, Critical Thinking and Application, and Case Study. Chapter review and NCLEX® Examination preparation included in each chapter worksheet contains a number of application-based NCLEX practice questions, including at least one alternate-item question per chapter. Focus on prioritization features at least one prioritization exercise in which the student must evaluate a clinical scenario and answer the question: "What is the nurse's best action?" Overview of dosage calculations section contains explanations of key drug calculations, concepts, sample drug labels, practice problems, and a practice quiz. Learning strategies expands upon the unique, cartoon-illustrated study strategies included in the Lilley text. Answers for all exercises are provided at the back of the book to facilitate self-study. NEW! Updated content is completely current and ensures that the Study Guide content is consistent with the Lilley textbook. NEW! Expanded NCLEX® focus includes one to two additional NCLEX Examination-style questions for each chapter, including additional alternate item format types. Not your typical study guide, this single resource contains all of the core information an undergraduate nursing student needs to know from the first day of nursing school through the NCLEX-RN. Written in a succinct, well-organized, easy-to-read format, the guide closely follows the standard nursing curriculum and is designed as a reference for every core nursing course.
