**Manifestoes** Sep 29 2022 For more than three hundred years, manifestoes have defined the aims of radical groups, individuals, and parties while galvanizing revolutionary movements. As Janet Lyon shows, the manifesto is both a signal genre of political modernity and one of the defining forms of aesthetic modernism. Ranging from the pamphlet wars of seventeenth-century England to dyke and ACT-UP manifestoes of the 1990s, her extraordinarily accomplished book offers the first extended treatment of this influential form of discourse. Lyon demonstrates that the manifesto, usually perceived as the very model of rhetorical transparency, is in fact a complex, ideologically inflected genre--one that has helped to shape modern consciousness. Lyon explores the development of the genre during periods of profound historical crisis. The French Revolution generated broadsides that became templates for the texts of Chartism, the Commune, and late-nineteenth-century anarchism, while in the twentieth century the historical avant-garde embraced a revolutionary discourse that sought in the manifesto's polarizing polemics a means for disaggregating and publicizing radical artistic movements. More recently, in the manifestoes of the 1960s, the wretched of the earth called for either the full realization or the final rejection of the idea of the universal subject, paving the way for contemporary contestations of identity among second- and third-wave feminists and queer activists.

**The North Shore Literary Trail** Aug 17 2021 You've devoured their pages of verse and prose--now witness firsthand the inspiration for those perfectly penned lines of Longfellow, Frost and Harriet Beecher Stowe. Discover the strong feminist voice of Judith Sargent Murray as you stroll down Middle Street in Gloucester, or navigate the narrow, winding streets of Marblehead and flip through the eighteenth-century journals of the sailor Ashley Bowen. Plan a literary-themed cultural outing or simply take a closer look at your town's local landmarks. From the "gem-emblazoned shore" of "lovely Lynn" to the gleaming gables in Hawthorne's Salem, Bierfelt uncovers some of the North Shore's most precious literary treasures.

**CliffsTestPrep Praxis II: English Subject Area Assessments (0041, 0042, 0043, 0048, 0049)** Nov 27 2019 A veteran hockey writer takes on hockey culture and the NHL--addressing the games most controversial issue Whether its on-ice fist fights or head shots into the glass, hockey has become a nightly news spectacle--with players pummeling and bashing each other across the ice like drunken gladiators. And while the NHL may actually condone on-ice violence as a ticket draw, diehard hockey fan and expert Adam Proteau argues against hockeys transformation into a thuggish blood sport. In *Fighting the Good Fight*, Proteau sheds light on the many perspectives of those in and around the game, with interviews of current and former NHL stars, coaches, general managers, and league executives, as well as medical experts. One of the most well-known media figures on the hockey scene today, famous for his funny, feisty observations as a writer for the Toronto Star and The Hockey News and commentator on CBC radio and TV, Adam Proteau is also one of the few mainstream media voices who is vehemently anti-fighting in hockey. Not only is his book a plea to the games gatekeepers to finally clamp down on the runaway violence that permeates the sport even at its highest level, he offers realistic suggestions on ways to finally clean the game up. • Includes interviews with medical experts on head injuries and concussions, as well as with other members of the media • The author not only wages an attack on the value of fighting in hockey--but also on the establishment hockey culture Covering the most polarizing issue in hockey today, *Fighting the Good Fight* gives hockey fans and sports lovers everywhere a reason to stamp their feet and whistle--at a rare display of eloquence and common sense. **Handbook of Instructional Practices for Literacy Teacher-educators** Jan 28 2020 This volume offers a unique glimpse into the teaching approaches and thinking of a wide range of well-known literacy researchers, and the lessons they have learned from their own teaching lives. The contributors teach in a variety of universities, programs, and settings. Each shares an approach he or she has used in a course, and introduces the syllabus for this course through personal reflections that give the reader a sense of the theories, prior experiences, and influential authors that have shaped their own thoughts and approaches. In addition to describing the nature of their students and the program in which the course is taught, many authors also share key issues with which they have grappled over the years while teaching their course; others discuss considerations that were relevant during the preparation of this particular syllabus or describe how it evolved in light of student input. The book is organized by areas within literacy education: reading; English/language arts; literature; emergent literacy; content-area literacy; literacy assessment and instruction; literacy and technology; and inquiries into literacy, theory, and classroom practice. It is accompanied by an interactive Web site: <http://msit.gsu.edu/handbook>. This online resource provides additional information about the authors' courses including complete syllabi, recommended readings, grading rubrics, and sample assignments. Readers are invited to respond and contribute their own syllabi and teaching experiences to the discourse generated by the volume.

**Social Constructionist Identity Politics and Literary Studies** Apr 24 2022 This study presents a critique of social constructionist identity politics, which is distinguished from specific identity-based political positions, from within and with social constructionist commitments. Gupta examines the institutionalization of social constructionist identity politics in literary studies, considering the notions of canonicity.

**Literary Manuscript Culture in Romantic Britain** Dec 29 2019 A study of the production and circulation of literary manuscripts in Romantic-era BritainOffers a detailed examination of the practices of literary manuscript culture, particularly the production, circulation and preservation of manuscripts, based on extensive archival researchDemonstrates how literary

manuscript culture co-evolved with print culture, in a nuanced study of the interactions between the two mediaExamines the changing cultural attitudes towards literary manuscripts, and how these changes affected practices and valuesSurveys the impact of digital media on our access to and understanding of historical manuscriptsThis book examines how manuscript practices interacted with an expanding print marketplace to nurture and transform the period's literary culture. It unearths the alternative histories manuscripts tell us about British Romantic literary culture, describing the practices by which handwritten documents were written, shared, altered and preserved, and explores the functions they served as instruments of expression and sociability. By demonstrating how literary manuscript culture co-evolved with print culture, this study illuminates the complex entanglements between the media of script and print.
