The Cursed Lands (epic fantasy/sword and sorcery) Nov 30 2022 Long ago, the Dragon Gods founded the land of Yores. They drove out the monsters which lived within it and gave the land to their followers, who thanked the Dragon Gods and pledged to worship them for eternity. As time went on, however, the Yoresians grew proud and ceased worshipping the Dragon Gods, trusting instead in their magic. Thus, the Dragon Gods abandoned the Yoresians, which has turned out to be a mistake, for now the land of Yores is under attack from a powerful evil and the Yoresians cannot stand against it. Twin siblings Sarzen and Helnia, a warrior and a mage, set out to find the Dragon Gods, who they believe are their people's only hope of survival. But the quest ahead of them is fraught with dangers they can't even imagine, including a revelation about themselves that will shake their view of themselves and their leaders forever.

At Grave's End Feb 19 2022 Some things won't stay buried . . . at grave's end It should be the best time of half-vampire Cat Crawfield's life. With her undead lover Bones at her side, she's successfully protected mortals from the rogue undead. But though Cat's worn disguise after disguise to keep her true identity a secret from the brazen bloodsuckers, her cover's finally been blown, placing her in terrible danger. As if that wasn't enough, a woman from Bones's past is determined to bury him once and for all. Caught in the crosshairs of a vengeful vamp, yet determined to help Bones stop a lethal magic from being unleashed, Cat's about to learn the true meaning of bad blood. And the tricks she's learned as a special agent won't help her. She will need to fully embrace her vampire instincts in order to save herself—and Bones—from a fate worse than the grave.

Mannock Nov 26 2019 The definitive biography of the WWI fighter pilot Edward "Mick" Mannock—and a revealing investigation into his mysterious fate. Although he was arguably the highest scoring RAF fighter pilot of the First World War, Edward "Mick" Mannock's life, particularly his death, is still shrouded in mystery. Did he achieve as many victories as are sometimes ascribed to him? How did he die? Where did he die? And more pertinently, where do his remains now lie? Investigative historians Norman Franks and Andy Saunders have assessed all the evidence and cut through the speculation to build a complete picture of the man and his achievements as a fighter pilot. Having unearthed much new and enlightening information, they present a truly balanced overview of his life—and also reveal for the first time exactly where he fell in battle a century ago. Includes photographs

Lust for Life! Nov 06 2020 In the mid-1980s Irvine Welsh's life was going nowhere fast. His teenage dreams of being a footballer or a rock star were over, and he was stuck in a series of white-collar jobs which he loathed. With the last throw of the dice, he started to write. In 1993 his debut novel - which centred on the desperate day-to-day struggles of a group of Edinburgh schemies and junkies - was published. Even Irvine's publisher, Secker & Warburg, didn't hold out much hope. Only 1,000 copies were printed and the word was that Irvine might become a cult author, a 'Scottish Bukowski'. But, as the rave reviews increased, the book - memorably described as 'the voice of punk, grown up, grown wiser and grown eloquent' - rapidly achieved global success. It was followed, in 1996, by Danny Boyle's raw, high-energy film, which received worldwide critical acclaim and launched the careers of several young Scots actors such as Ewan McGregor, Ewen Bremner and Kelly Macdonald. So, how did an unknown Edinburgh writer pen the most talked-about book of a generation? Read the inside story of the Trainspotting phenomenon.

First Grave On The Right Aug 16 2021 Private investigator Charlotte Davidson was born with three things: looks; a healthy respect for the male anatomy; and the rather odd job title of grim reaper. Since the age of five, she has been helping the departed solve the mysteries of their deaths so they can cross. Thus, when three lawyers from the same law firm are murdered, they come to her to find their killer. In the meantime, Charley's dealing with a being more powerful - and definitely sexier - than any spectre she's ever come across before. With the help of a pain-in-the-ass skip tracer, a dead pubescent gangbanger named Angel, and a lifetime supply of sarcasm, Charley sets out to solve the highest profile case of the year and discovers that dodging bullets isn't nearly as dangerous as falling in love.

Jack the Ripper May 13 2021 You've never read a Ripper book like this. Christian was born in 1852. He carried out a sexual attack on a local girl and so fled to London to avoid being lynched. He and best friend Jimmy became trainee surgeons with a nefarious organization (The Firm). Both men fell in love with the same woman. Christian later illegally married her and further on became a whoremaster. In 1888, after he found out his "wife" had had a long sexual affair (and a child) with his best friend, his drug use and rage led him to release his wrath upon the prostitutes he formerly protected. Laretta his "wife" kept a diary writing about him realizing she was married to Jack the Ripper. After he brutally murdered numerous women usually for a reason as it was not random, he realized there was one loose end: Jimmy's son. Thus, members of The Firm were hired to murder him secretly and dispose of the body. In 1913, the Ripper died after suffering via a STD. After his death, his family found a stash of money in his favourite armchair. His family lived on without him, and Laretta (the hero) didn't pass over until 1934.

The Hidden Voyage Apr 11 2021 This book is a fiction romance novel that tells a beautiful love story. As the streets that lead from the Strand to the Embankment are very slim, it's better no longer to walk down them arm-in-arm. If you persevere, lawyers' clerks will have to make flying leaps into the mud; young female typists will have to fidget in the back of you. In the streets of London wherein beauty is going unregarded, eccentricity must pay the penalty, and it is higher no longer to be very tall, to put on a long blue cloak, or to conquer the air together with your left hand. One afternoon in the beginning of October whilst the traffic was turning brisk a tall guy strode alongside the edge of the pavement with a lady on his arm. Angry glances struck upon their backs.

Walking in Lancashire Jan 27 2020 Offering 40 day walks in Lancashire, this guidebook explores the often-overlooked regions of Forest of Bowland, Ribbles Valley and West Pennine Moors. With walks ranging from low-level valley trails to higher hill routes, this guidebook offers plenty of year-round walking options for active families and committed hikers alike. The walks are accessible from a range of nearby villages, towns and cities including Preston, Blackburn, Burnley, Chorley, Lancaster and Clitheroe. Lancashire showcases some of the most varied walking in the UK, featuring the wide expanse of Morecambe Bay, the Forest of Bowland AONB and limestone fringes of the Yorkshire Dales. These walks travel along green valleys, gritstone moors and untamed hillsides to explore remnants of Lancashire's rich history: The War of the Roses, the Pendle witch trials and the industrial heritage of the West Pennine Moors. Providing detailed route description and clear OS mapping for all 40 walks, this guidebook includes an introduction full of information about the area including accommodation, transport and access. The appendices contain a route summary table to help you plan your days out, while each walk offers notes on wildlife, history, geology and available refreshments.

Go, Went, Gone Mar 23 2022 One of the great contemporary European writers takes on Europe's biggest issue Richard has spent his life as a university professor, immersed in the world of books and ideas, but now he is retired, his books remain in their packing boxes and he steps into the streets of his city, Berlin. Here, on Oranienplatz, he discovers a new community -- a tent city, established by African asylum seekers. Hesitantly, getting to know the new arrivals, Richard finds his life changing, as he begins to question his own sense of belonging in a city that once divided its citizens into them and us. At once a passionate contribution to the debate on race, privilege and nationality and a beautifully written examination of an ageing man's quest to find meaning in his life, Go, Went, Gone showcases one of the great contemporary European writers at the height of her powers.

The Testimonies of Slaves Sep 04 2020 Mosaic Books presents to you this meticulously collection of hundreds of life stories, recorded interviews and incredible vivid testimonies of former slaves from the American southern states, including photos of the people being interviewed and their extraordinary narratives. After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the former slaves. The Federal Writers' Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves. The resulting collection preserved hundreds of life stories from 17 U.S. states that would otherwise have been lost in din of modernity and America's eagerness to deliberately forget the blot on its recent past. Contents: Alabama Arkansas Florida Georgia Indiana Kansas Kentucky Maryland Mississippi Missouri North Carolina Ohio Oklahoma South Carolina Tennessee Texas Virginia

Vocative Constructions in the Language of Shakespeare May 25 2022 This study investigates the functions, meanings, and varieties of forms of address in Shakespeare's dramatic work. New categories of Shakespearean vocatives are developed and the grammar of vocatives is investigated in, above, and below the clause, following morpho-syntactic, semantic, lexicographical, pragmatic, social and contextual criteria. Going beyond the conventional paradigm of power and solidarity and with recourse to Shakespearean drama as both text and performance, the study sees vocatives as foregrounded experiential, interpersonal and textual markers. Shakespeare's vocatives construe, both quantitatively and qualitatively, habitus and identity. They illustrate relationships or messages. They reflect Early Modern, Shakespearean, and intra- or inter-textual contexts. Theoretically and methodologically, the study is interdisciplinary. It draws on approaches from (historical) pragmatics, stylistics, Hallidayean grammar, corpus linguistics, cognitive linguistics, socio-historical linguistics, sociology, and theatre semiotics. This study contributes, thus, not only to Shakespeare studies, but also to literary linguistics and literary criticism.
