Old Tales of the Maine Woods Sep 20 2019 From his phenomenal collection of over 22,000 articles and stories of the Maine Woods, Steve Pinkham has selected many of the most exciting and old hunting and fishing tales, as well as stories of animal encounters, lumbering, canoe trips, and even a few ghost stories for this book. Ranging from 1849 to 1913, the book covers the Maine Woods from Magalloway to Moosehead, and Mopang to Madawaska. Most people know that Thoreau went to Maine several times, wrote eloquently about his travels and coined the phrase "Maine Woods." Now for the first time the reader will get to read stories by many of the other known and unknown men and women who also travelled to northern Maine and wrote about their experiences or penned fictional stories set in the backwoods. Included are brief biographies and portraits of the known writers. For the many anonymous authors, Pinkham has included appropriate pictures of the region

where the story took place and other pertinent information from his vast sources. Visit the website at:

www.olddtalesofthemainewoods.com Steve Pinkham grew up in western Maine, hearing old stories of hunting and fishing, and has spent much of his life hiking, paddling and discovering the many wonderful places in the backwoods of Maine. Having spent the past ten years searching for articles and books, following up on clues, and spending a vast amount of hours in libraries and historical societies, he published his first book, *Mountains of Maine* in 2009. Selecting from his vast collection for this book, he now spends his time writing and publishing articles and books about the Maine Woods from his home in Quincy, Massachusetts.

Once and Forever Dec 24 2019 A collection of classic, fantastical tales from Northern Japan that are equal parts whimsical and sophisticated, perfect for readers of all ages. Kenji Miyazawa is one of modern Japan's most beloved writers, a great poet and a strange and marvelous spinner of tales, whose sly, humorous, enchanting, and enigmatic stories bear a certain resemblance to those of his contemporary Robert Walser. John Bester's selection and expert translation of Miyazawa's short fiction reflects its full range from the joyful, innocent "Wildcat and the Acorns," to the cautionary tale "The Restaurant of Many Orders," to "The Earthgod and the Fox," which starts out whimsically before taking a tragic turn. Miyazawa also had a deep connection to Japanese folklore and an intense

love of the natural world. In “The Wild Pear,” what seem to be two slight nature sketches succeed in encapsulating some of the cruelty and compensations of life itself.

28 *Barbary Lane* Oct 26 2022 "These novels are as difficult to put down as a dish of pistachios. The reader starts playing the old childhood game of 'Just one more chapter and I'll turn out the lights,' only to look up and discover it's after midnight." -- Charles Solomon, Los Angeles Times Book Review Armistead Maupin's uproarious and moving Tales of the City novels--the first three of which are collected in the is omnibus edition--have earned a unique niche in American literature, not only as matchless entertainment, but as indelible documents of cultural change in the seventies and eighties. When originally serialized in the San Francisco Chronicle, Tales of the City (1978), More Tales of the City (1980) and Futher Tales of the City (1982) afforded a mainstream audience of millions its first exposure to straight and gay characters experiencing on equal terms the follies of urban life. Among the cast of this groundbreaking saga are the lovelorn residents of 28 Barbary Lane: the bewildered but aspiring Mary Ann Singleton, the libidinous Brain Hawkins; Mona Ramsey, still in a sixties trance, Michael "Mouse" Tolliver, forever in bright-eyed pursuit of Mr. Right; and their marijuana-growing landlady, the indefatigable Mrs. Madrigal. Hurdling barriers both social and sexual, Maupin leads them through heartbreak and triumph, through mail-biting

terrors and gleeful coincidences. The result is a glittering and addictive comedy of manners that continues to beguile new generations of readers. With a foreword by the author.

Tales of the Munster festivals Sep 25 2022

Tales of the City Mar 27 2020 For almost four decades Armistead Maupin's *Tales of the City* has blazed its own trail through popular culture—from a groundbreaking newspaper serial to a classic novel, to a television event that entranced millions around the world. The first of nine novels about the denizens of the mythic apartment house

at 28 Barbary Lane, *Tales* is both a sparkling comedy of manners and an indelible portrait of an era that forever changed the way we live.

Tales of the Grotesque Mar 07 2021 GROTESQUE TALES... UNEASY TALES... "The emaciated sodden legs beat a ceaseless march on the unresisting veil, like those of a gallows victim marking time in air. The battered, half-eaten arms clawed blindly at nothing. The eyes were gone, and within their ragged-edged hollows was manifest the coiling purposeful movement of reptilian life." ('Animate in Death') Squadron Leader Leslie Allin Lewis (1899-1961) was a veteran of both world wars, flying Sopwith Camels over France in 1918 and Hurricanes over England in 1940. He was also one of the best writers in the macabre and supernatural genre between wars. "Lewis undoubtedly earns a high place among the best masters of supernatural and macabre literature that Britain has ever produced." (Richard Dalby) "A brilliant collection." (Mark Samuels) FIRST TIME IN PAPERBACK.

Back to Barbary Lane Nov 27 2022 By turns hilarious and heartbreaking, Armistead Maupin's bestselling *Tales of the City* novels—the fourth, fifth and sixth of which are collected in this second omnibus volume—stand as an incomparable blend of great storytelling and incisive social commentary on American culture from the seventies through the first two decades of the new millennium. "Tearing through [the tales] one after the

other, as I did, allows instant gratification; it also lets you appreciate how masterfully they're constructed. No matter what Maupin writes next, he can look back on the rare achievement of having built a little world and made it run.”—Walter Kendrick, Village Voice Literary Supplement

Armistead Maupin's uproarious and moving Tales of the City novels have earned a unique niche in American literature and are considered indelible documents of cultural change from the seventies through the first two decades of the new millennium. The nine classic comedies, some of which originally appeared as serials in San Francisco newspapers, have won Maupin critical acclaim around the world and enthralled legions of devoted fans. Back to Barbary Lane comprises the second omnibus of the series—Babycakes (1984), Significant Others (1987), and Sure of You (1989)—continuing the saga of the tenants, past and present, of Mrs. Madrigal's beloved apartment house on Russian Hill. While the first trilogy celebrated the carefree excesses of the seventies, this volume tracks its hapless, all-too-human cast across the eighties—a decade troubled by plague, deceit, and overweening ambition. Like its companion volumes, 28 Barbary Lane and Goodbye, Barbary Lane, Back to Barbary Lane is distinguished by what The Guardian of London has called "some of the sharpest and most speakable dialogue you are ever likely to read."

Tales of the Priory Nov 15 2021

Also available with Audio CDs including complete text recordings from the book.

Tales of a Korean Grandmother Oct 02 2020 This multicultural children's book presents classic Korean fairy tales and other folk stories—providing a delightful look into a rich literary culture. The Korean people possess a folklore tradition as colorful and captivating as any in the world, but the stories themselves still are not as well-known to Western readers as those from *The Brothers*

Grimm, Mother Goose, or Hans Christian Andersen. In her best-selling book for young readers, Frances Carpenter collects thirty-two classic Korean children's stories from the "Land of the Morning Calm": the woodcutter and the old men of the mountain; the puppy who saved his village from a tiger; the singing girl who danced the Japanese General into the deep river; Why the Dog and Cat are Not friends; and even a more familiar tale of the clever rabbit who outsmarted the tortoise. The children of the Kim family sit at their beloved Grandmother's knee to listen to these and other traditional folk tales which are rooted in thousands of years of Korean culture.

Tales of the Alhambra or the new sketch-book Aug 24
2022

Goodbye Barbary Lane Jun 22 2022 By turns hilarious and heartbreaking, Armistead Maupin's bestselling Tales of the City novels—the final three of which are collected in this third omnibus volume—stand as an incomparable blend of great storytelling and incisive social commentary on American culture from the seventies through the first two decades of the new millennium. “These final days of his San Francisco friends and lovers, gay and straight, are seriously moving.... Maupin deftly illustrates how far America and the pioneering Anna have come, and nearly forty years into the series, his writing remains wildly addictive but is deeper and richer.”—People The last three novels of Armistead Maupin’s bestselling, critically-

acclaimed Tales of the City are now available for the first time as an omnibus edition. The epic series, published between 1978 and 2014, spans the decade before the AIDS crisis through the era of marriage equality following an unforgettable set of characters, whose diverse sexual identities helped set the social stage for the ongoing sexual revolution. Goodbye Barbary Lane—comprised of Michael Tolliver Lives (2007), Mary Ann in Autumn (2010), and The Days of Anna Madrigal (2014)—brings closure to the lives and legacies of the characters through which generations have found connection to America’s larger cultural struggles over the past four decades. Joining two companion omnibus volumes, 28 Barbary Lane and Back to Barbary Lane, Goodbye Barbary Lane presents all of “Mr. Maupin’s adeptness at fluid dialogue, his flair for shaping characters who thread the needle between pop archetypes and singular human beings, and his great gift for intricate if occasionally preposterous plotting”(New York Times).

Myths and Tales of the Chiricahua Apache Indians

Sep 13 2021 “We are dealing here with a living literature,” wrote Morris Edward Opler in his preface to Myths and Tales of the Chiricahua Apache Indians. First published in 1942, this is another classic study by the author of Myths and Tales of the Jicarilla Apache Indians. Opler conducted field work among the Chiricahuas in the American Southwest, as he had earlier among the Jicarillas. The result is a definitive collection of their

myths. They range from an account of the world destroyed by water to descriptions of puberty rites and wonderful contests. The exploits of culture heroes involve the slaying of monsters and the assistance of Coyote. A large part of the book is devoted to the irrepressible Coyote, whose antics make cautionary tales for the young, tales that also allow harmless expression of the taboo. Other striking stories present supernatural beings and “foolish people.”

The Arabian Nights: Tales of 1,001 Nights Oct 22 2019

The most significant translation in one hundred years of one of the greatest works of world literature From Ali Baba and the forty thieves to the voyages of Sinbad, the stories of The Arabian Nights are timeless and unforgettable. Published here in three volumes, this magnificent new edition brings these tales to life for modern readers in the first complete English translation since Richard Burton’s of the 1880s. Every night for three years the vengeful King Shahriyar sleeps with a different virgin, and the next morning puts her to death. To end this brutal pattern, the vizier's daughter, Shahrazad, begins to tell the king enchanting tales of mystical lands peopled with princes and hunchbacks, of the Angel of Death and magical spirits, and of jinnis trapped in rings and in lamps—a sequence of stories that will last 1,001 nights, and that will save her own life.

Tales from the Gas Station Jul 11 2021 Working at a dead-end retail job in the middle of nowhere can be hard. The long hours. The helpless customers. The enormous eldritch horror living deep below the building. As the only full-time employee at the twenty-four hour gas station at the edge of town, Jack has pretty much seen it all. But when he decides to start an online journal documenting the bizarre day-to-day occurrences, he unwittingly attracts the attention of much more than just a few conspiracy theorists. With the body count steadily on the rise and a dark, ancient force infecting the dreams of everyone around him, Jack will do everything in his power to stay out of the way and mind his own business. After all, he's just a gas station clerk. It's not like he's getting paid enough to wage battle against the nightmarish aberrations plaguing his community. Besides, he already has his hands full attempting to manage all those mysterious lawn gnomes, the mutant raccoons, and the charming phantom cowboy who lives in the bathroom. Based on the award-winning creepypasta by GasStationJack, Tales from the Gas Station: Volume One is a love letter to the pioneers of

classic horror tailored to a generation that grew up in the era of smartphones and WiFi.

In that special half-hour of twilight—the dark-thirty—there are stories to be told. Mesmerizing and breathtakingly original, these tales are inspired by African American history and range from the time of slavery to the civil rights era. With her extraordinary gift for suspense, Patricia C. McKissack has created a heart-stopping collection of lasting value, a book not quickly forgotten. An ALA Notable Children’s Book An NCSS-CBC Notable Children’s Trade Book in the Field of Social Studies An IRA Teachers’ Choice

Tales from the Shadowhunter Academy Feb 06 2021 Collects short stories chronicling Simon's journey from amnesia to Ascension, as he works to regain his lost life while attending the Shadowhunter Academy.

Tales of the Dancing Dragon Apr 20 2022 Here, Taoist practitioner Eva Wong offers a colorful treatment of the history and evolution of Taoism, told through traditional teaching tales. These tales, which Wong first heard as a child growing up in Hong Kong, are gleaned from the

local storytellers and the uncensored chronicles known as yeshi—the wild history of China, not monitored by the official imperial scholars and historians. The stories are by turns mysterious and intriguing, passionate and violent, and they are peppered with colorful characters, including hermits, politicians, social activists, revolutionaries, scholars, scientists, and mystics. Arranged chronologically from prehistory through the early twentieth century, these stories introduce the schools in the Taoist lineages, and capture the defeats and victories of Taoism, its periods of decadence and decay, and its renewal, maturation, and spiritual triumph. Wong puts these stories into context, and shows that Taoism is a dynamic spiritual tradition, constantly changing—and being influenced by—history.
