*Well, you may want to learn after reading this tale of narrow escapes, excitement, and discovery. Joey is born an ordinary little mouse the eighth of nine ordinary little mice in an old barn on a dark and stormy night. Lightning struck and thunder bellows as Joey came into the world. Only a few feet away were five cats, and on the other side of the barn was a huge dog. Poor Joey was surrounded by terrors. Little did the frightened little mouse know as he huddled with his brothers and sisters for warmth that he was destined to become something more than ordinary; that he was going to become something great. In a series of adventures and misadventures, Joey meets an interesting and unlikely cast of friends who help him on his journey to fame. Learn the true meaning of friendship as Joey uses love, courage, and common sense to win the respect of those around him, even in the face of unthinkable odds.*

A Practical Guide to Full-Time RV Living Motorhome & RV Retirement Startup Exactly six years ago my spouse Shirley and I have both retired from our previous careers, leaving us with quite a lot of extra time in a mostly empty house throughout the day. That's when we decided we wanted to travel. The only problem was we did not know what the best way was to get from point A to point B. Needless to say, we needed to find a way that was*

*comfortable for the two of us, given our conditions; we did not want our sense of adventure to be limited by something as unimportant as physical pain, after all. That is when we spoke to our neighbors, old family friends who had just returned from an RV camping trip with another couple. The more we learned about traveling in an RV, the more my wife and I were convinced that was the solution to our conundrum. We had some savings, we had the time, and we had the ability to go wherever we wanted in the world with the safety aspect of carrying a piece of home with you. Thus we decided to start our new life in an RV on the road. We have been living the RV life for the last five years now, and I must admit that these five years are the best years of our life so far. I also must admit that not everything has been glorious and fun, yes, we have faced our fair share of problems and hiccups on various fronts, but looking back, they all were great learning experiences. However, RV living isn't just for retirees; it can be for anyone who wants to enjoy the freedom of living on the road although this doesn't mean that full-time RV living is for everyone. Whether you are retiring soon and want some adventure, have been retired for a while and want a change of scene, or simply want to change your way of life to something simpler, living full-time out of an RV can be your answer. In this book, we are going to show you what is involved in RV living, how you can get started and what you need to do to live an affordable full-time life on the road while enjoying the wonderful sights. Hopefully, this book will help you avoid the rookie mistakes we had made when we started out and make your transition smoother and more enjoyable. Do you need a helpful guide for how to buy a camper for your next family vacation? Do you want to save money on your RV purchase? You need this used RV buyer's guide! My book, Used Motorhome Buying Guide, will teach you everything you need to know about how to purchase a used RV, motorhome, travel trailer, or camper of your dreams. Your new motorhome should fit your needs as best as it can. You deserve to travel in comfort and style. Armed with the knowledge of how to get the best deal when buying a used RV, you can save precious money and time. This book will give you vital advice and guidance on how to buy a used motorhome. I am a travel writer by trade but a nomad by choice. Traveling the country by RV is one of the best ways to truly experience nature and adventure. I have lived in my share of different types of recreational vehicles, all with their own pros and cons. With this nomadic lifestyle comes the challenges of repairs and maintenance of a home on wheels. This book is the culmination of what I have learned about the best practices of how to buy a used RV. The first section of this book is all about the basic factors of RVs. It is important for you to understand all the basics surrounding motorhomes. I help you understand the different types of motorhomes, the features of each type, and the benefits. We also look at the features to expect in an RV and factors*

*to consider before deciding to buy a used RV. I help you compare the benefits of buying a used RV versus buying a new one. This way, you have a clear perspective on your options. In the second section of the book, you are introduced to RV inspections. When purchasing a used RV, the value you get depends on your inspection process. We help you prepare a detailed checklist of everything you desire in an RV. For you to find an RV that matches your needs, you must start by preparing a detailed list of all your needs and expectations. From this list, I help you figure out the features that are the most important and the ones that are not necessary. In the third section, we focus on testing the features of the RV and authenticating the legality of the ride. For anyone looking to buy a used RV, this is one of the most important sections. You can't get a good deal unless you know how to inspect the used RV and test the features. The book outlines the tricks and tips used to detect faults in the plumbing and electrical systems of the RV. We look at the best way to test drive a used RV and the features to focus on during test drives. We detail the secrets used by RV dealers to hide problems and how to uncover any hidden issues. In the fourth section of the book, we look at all the legal matters that affect used RVs. I help you understand the possibilities of buying an RV that is involved in crime or accidents. We look at some of the ways you can authenticate and verify the legality of an RV. Finally, we look at the risks and precautions involved in buying used RVs. Generally, this last section just helps sum up all the dangers involved in buying used RVs. If you are looking to purchase a used RV, a new RV, or to learn more about RVs, this book is for you. I am sure you have learned a lot, and you are on the path to find the best ride for you and your family. As a BONUS, I have provided you with a detailed checklist to take along with you as perform your pre-purchase inspection. Instructions on obtaining a printable checklist are included.
