*Our Dogs, Ourselves* Apr 11 2021 From Alexandra Horowitz, #1 New York Times bestselling author of *Inside of a Dog*, an eye-opening, informative, and wholly entertaining examination and celebration of the human-canine relationship for the curious dog owner and science-lover alike. We keep dogs and are kept by them. We love dogs and (we assume) we are loved by them. We buy them sweaters, toys, shoes; we are concerned with their social lives, their food, and their health. The story of humans and dogs is thousands of years old but is far from understood. In *Our Dogs, Ourselves*, Alexandra Horowitz explores all aspects of this unique and complex interspecies pairing. As Horowitz considers the current culture of dogdom, she reveals the odd, surprising, and contradictory ways we live with dogs. We celebrate their individuality but breed them for sameness. Despite our deep emotional relationships with dogs, legally they are property to be bought, sold, abandoned, or euthanized as we wish. Even the way we speak to our dogs is at once perplexing and delightful. In thirteen thoughtful and charming chapters, *Our Dogs, Ourselves* affirms our profound affection for this most charismatic of animals—and opens our eyes to the companions at our sides as never before.

**Beautiful Old Dogs** Dec 28 2019 A charming, delightfully photographed tribute to the older dog, with essays and poetry. Gandhi once said, "The greatness of a nation and its moral progress can be judged by the way that its animals are treated." How people regard older animals is especially revealing. *Beautiful Old Dogs* is a heartfelt, emotional, passionate tribute to old dogs. It will inspire many readers to get involved in senior dog rescue and adoption, as it honors our senior best friends and explores their current state of care and custody in an informative appendix. This book features the exquisite photography of the late Garry Gross, a noted fashion photographer during the 60s, 70s and 80s who, after becoming a highly successful dog trainer in New York City, turned his camera lens towards dogs. Gross, along with Victoria Stilwell from *Animal Planet's It's Me or the Dog*, founded Dog Trainers of New York in 2002, and became devoted to highlighting the plight and value of senior dogs. "The older the better," Gross said. "Dogs with soul in their eyes." David Tabatsky has collected Gross's photographs here, and carefully curated an accompanying selection of moving, insightful, funny, and uplifting essays and short pieces by a range of writers, with contributions from Anna Quindlen, Ally Sheedy, Christopher Durang, Doris Day, Dean Koontz, Marlo Thomas, and many more.
