This text prepares students for the IELTS test at B1 (foundation level). It is designed to introduce students to the critical thinking required for IELTS and provide strategies and skills to maximise their score. Business Partner is an eight-level business English course that teaches real-world language and business skills. Authentic videos with expert commentary on key business topics. Innovative video-based communication skills training. Practical training in functional business skills. Financial Times content on a wide variety of topics. A flexible, modular approach to personalise what students learn. Multiple opportunities to work on realistic case studies. No other description available. Practise and improve your German to complete the B1-level Many interesting and interactive exercises are waiting for you. The following book is meant to help you with the application of the German-language if you are studying the B1-level. I tried to mimic the mechanics of my classes and put it into the exercises I have crafted for this book. In my classes I work from the very first minute on with pure interaction, making the students talk as much as they are able to. Of course it is impossible to give them a topic and tell them to talk freely about it at the beginning. But what I have found that is absolutely possible is a) to work with questions and answers and create thus as much interaction as possible b) to prepare a text through the aforementioned Q&A-routine so that the student can talk about the text freely. c) to create free applications based on the aforementioned routines a) and b). This book provides the opportunity to students to study on their own or with a partner or even in a class context with a teacher to use the suggested routines and therefore make use of the benefits that this methodology provides and improve your B1-level in German with ease. In case you are interested in a German-course with a unique methodology and guaranteed success, please go to www.idiomata.org and contact me! In Decoding B1, skills are divided into five principal areas: Word-Attack Skills, Group Reading, Individual Reading Checkouts, Workbook Exercises, and Mastery Tests. Level: B1-B2. Conversation course with CLIL and exam practice. 4-Skills course with focus on Speaking. Strong grammar framework and practice. CLIL / cross-curricular work in every Unit. Trinity & Cambridge Exam compatibility. Off-the-page teaching & free lesson plans. QSE is a full 70-80 hour skills-based course with lots of listening and speaking, plus grammar explanation and practice, that is ideal for use alone or in combination with another course. QSE offers Content and Language Integrated Learning (CLIL) as part of every Unit, making other curriculum subject areas, such as science and economics into an integral part of the course. QSE is recognised as valuable preparation for the Trinity College London Examinations and includes extensive speaking practice in the format of the GESE and Portfolio Writing for the ISE. QSE is also compatible with other international exams, including Cambridge ESOL PET, FCE and CAE, while the higher level includes practice for the Cambridge IGCSE and IELTS. Here we have the text and workbook for 'Quick Smart English' levels B1-B2. This is a brand new edition featuring the first 8 units of the course. Including Skills focus, with full-course framework and exam practice. It also boasts extended reading, portfolio writing, grammar and use of English. Cosmic B1, B1+ and B2 Test Books provide: Grammar and vocabulary tests for each unit Progress reviews with a test writing task Mid-year test with reading and writing tasks End of year test with reading and writing tasks Final test with reading and writing tasks A full range of different exam task types GET Intermediate is a blended learning course for corporate business students wishing to learn Business English. There are 16 units, with each unit containing four self-study sessions, online activities and classroom sessions. With each unit taking approximately 4.5 hours, the course will take 80 hours to complete. GET Intermediate corresponds to B1 Level. Only available for sale in France. Gateway is an academically-rich five-level course designed to lead teenage students to success in school-leaving and university entrance exams and prepare them for university and the world of work. The field of language testing and assessment has recognized the importance and underlying theoretical and practical underpinnings of language assessment literacy (LAL), an area that is gradually coming to prominence. This book addresses issues that promote the concept of LAL for language research, teaching, and learning, covering a range of topics. It brings together 14 chapters based on high-stakes and classroom-based studies authored by academics, professionals and researchers in the field. The text examines diverse issues through a multifaceted approach, presenting high-quality contributions that fill a gap in a research area that has long been in need of theoretical and empirical attention. Navigate is a brand new, six-level General English course tailored exclusively to adults. The course takes an innovative approach to reading and listening based on academic research as to how adults best learn languages. It teaches reading and listening from the bottom up, giving learners the skills they need to understand the next text they will read and hear, not just the one they are reading or hearing now. The content has been extensively piloted and reviewed in ELT classrooms across the world, giving teachers the confidence that it really works. The first 3 levels are publishing early 2015 (A2, B1 and B1+) with the next 3 levels following early 2016. La 4e de couverture indique : "Discover the innovative world of Business Partner, a new eight-level business English course for learners and professionals who want to communicate effectively in English in the workplace. Partnering with the Financial Times means that this course also offers a wealth of international business information on a wide variety of topics. Personalize your learning experience with a structured modular approach that gives the flexibility to focus on specific needs and learning outcomes. Study real-life business stories provided through authentic videos that draw you in and keep you motivated. Learn about key business topics such as Careers choices, Business Sectors, Projects, Global markets and Communication. Immerse yourself in the integrated video-based Communication skills training programme to develop awareness of communication issues, including building rapport, dealing with interruptions, managing conversations, dealing with disagreement and responding to customer concerns. Get practical training in functional business skills such as networking, selling a product, dealing with conflict and generating and presenting ideas. Work on realistic case studies in the Business workshops. Evaluate your progress step by step against the Global Scale of English Learning Objectives for Professional English. Prepare for business English exams such as BEC, BULATS, LCCI and PTE ProfessionalTM." Hundreds of exercises to get you to the next level Collins Work on your Grammar - Intermediate (B1) is a new practice book that covers the key grammar points needed by learners of English at Intermediate level (CEF level B1). This book is an essential resource for learners who want to improve their English grammar. Each of the 30 units presents a different area of grammar using clear language and examples. This is followed by practice exercises to ensure the learner will remember and be able to use what they have learnt with confidence in their written and spoken English. The grammar covered in Collins Work on your Grammar - Intermediate (B1) has been carefully selected based on Collins Corpus research and the experience of our language experts. As a result, this book provides plenty of useful practice with authentic, up-to-date examples of language usage in context. A carefully structured layout and simple illustrations make sure the language is always clear and the book is easy to navigate. Collins Work on your Grammar - Intermediate (B1) is ideal for self-study or for use in the classroom, and is an essential resource for students and teachers. * Focuses on the grammar required at Intermediate level (CEF level B1) * Thirty units with clear presentation material followed by practice exercises * Authentic examples of real English, taken from the Collins Corpus * Includes line drawings which illustrate key concepts * Clear structure and presentation of language * Plenty of room to write in *

Full answer key included * Ideal for self-study or for use in the classroom Premium B1 level is suitable for adult and young adult students who may be preparing for B1 level examinations such as PET. This volume underlines the relevance of an empirical, data-based and scientifically informed approach to the teaching of a second or foreign language, even though the contributions gathered here carry out this task through very different means and with various theoretical underpinnings. This is evident especially in the different and versatile perspectives on academic issues in the linguistic and methodological sections of the volume. The contributions here are assembled according to their disciplinary categories of linguistics, methodology of teaching English, and cultural and literary studies. The Routledge Handbook of Materials Development for Language Teaching is the definitive resource for all working in this area of language and English language teaching. With 34 chapters authored by leading figures from around the world, the Handbook provides an historical overview of the development of language teaching materials, critical discussion of core issues, and an assessment of future directions. The contributions represent a range of different international contexts, providing insightful, state-of-the-art coverage of the field. Structured in nine sections, the Handbook covers: changes and developments in language teaching materials controversial issues in materials development research and materials development materials for language learning and skills development materials evaluation and adaptation materials for specific contexts materials development and technology developing materials for publication professional development and materials writing Demonstrating throughout the dynamic relationship between theory and practice, this accessible Handbook is essential reading for researchers, scholars, and students on MA programmes in ELT, TESOL, and applied linguistics. 24 interesting, engaging reading passages with several comprehension questions. Plenty of practice to help improve your English. Topics range from everyday life to passages on 'Elon Musk' and 'The Sumerians'. The Flesch Reading Ease rating of 68.4 makes it ideal for B1 ESL learners (lower intermediate). It also has an average Flesch-Kincaid Grade Level rating of 7.6 so 8th graders may find it challenging and enjoyable too. This book isn't a vocabulary or grammar book (although some exercises of this type are included); it is meant as a reading book to teach skills necessary for comprehension. If you enjoy reading then this book will provide a great way to learn; if you don't like reading then this series may help change that. American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University. This series is for the Cambridge International AS & A Level IT syllabus (9626) for examination from 2019. This coursebook provides a clear and comprehensive guide to assist students as they develop theoretical and practical IT skills. It contains detailed explanations of theoretical and practical concepts and tasks, with worked examples and exercises to consolidate knowledge. Practical tasks are offered throughout the book, with source files on the accompanying CD-ROM, to help students build and develop their practical knowledge. Comprehension B1 and B2 develop the skills necessary to construct meaning from content-based text. This enables students to comprehend any subject matter they read and learn new information efficiently Practise and improve your German to complete the B1-level Many interesting and interactive exercises are waiting for you. The following book is meant to help you with the application of the German-language if you are studying the B1-level.
