25 apr 2012 this second  
edition of the well established  
bestseller is completely  
updated and revised with  
approximately 30 additional  
material including two new  
chapters on applications which  
has seen the most significant  
developments the second  
edition of aspen plus chemical  
engineering applications  
includes information on various  
new features that were  
embedded into aspen plus v12  
1 and existing features which  
have been modified aspen  
custom modeler acm covering  
basic features to show how to  
merge customized models into  
aspen plus simulator new  
updates to process 28 dez 2022
