The Story of the World: History for the Classical Child, Volume 1 Oct 26 2019 A subject as moving and powerful as humanity's past should be inviting, and when it is told well, it is. Susan Wise Bauer succeeds in telling the captivating story of history with her best-selling history series. Parents and young readers have fallen in love with her narrative history, The Story of the World, and its accompanying Activity Book. Now teachers and home educators can take advantage of a new and valuable learning tool: the Tests and Answer Key package. Included are 42 tests: one for each chapter of The Story of the World. Perfect for evaluating comprehension and retention. The narrative format of The Story of the World helps children remember the famous people, places, and events in history. These tests offer you an easy way to make sure that your child is absorbing the important events from world history. A combination of multiple choice, matching, fill-in-the-blank, and short writing samples allow you to evaluate your child's retention and comprehension of key events in The Story of the World. The Tests package contains an answer key for all tests. These easy-to-use tests and answer keys, successfully used by hundreds of parents and teachers, provide an objective method for measuring retention of key facts, figures, and events from history. A combination of sequencing, matching, short-answer, and essay-style questions gives students a chance to show what they've learned. Used with The Story of the World Text Book and Activity Book (sold separately), the Test and Answer Key gives educators a complete history curriculum for their elementary school students.
